

Credit Scoring Solution

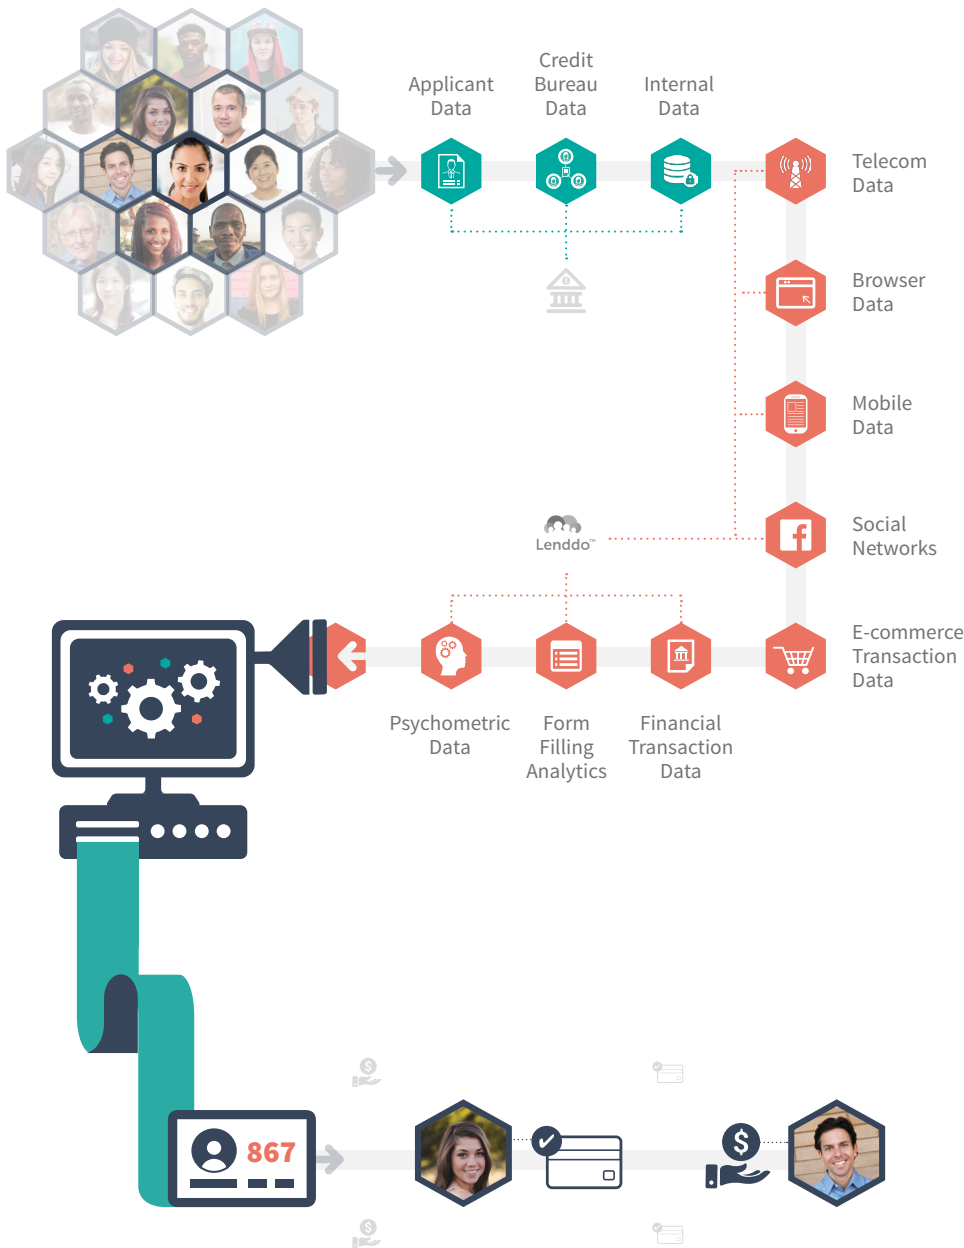

Make lending scalable, profitable and improve loan economics using non-traditional data

✓
Improve portfolio profitability

✓
Approve more applicants

✓
Approve new applicants

✓
Make decisions in real-time

- 1 Applicants submit their applications
- 2 Lenddo collects **TRADITIONAL** and **NON-TRADITIONAL** data
- 3 Lenddo creates new predictive features using artificial intelligence
- 4 The new features are consumed into existing or new scorecards
- 5 Decisions are made instantly at low cost

Financial Institutions

↑ **15%** approval rates

↓ **12%** default

< **3 mins** time to score
